

Lire / L2 Se faire une idée du contenu d'un texte informatif simple, accompagné éventuellement d'un document visuel.

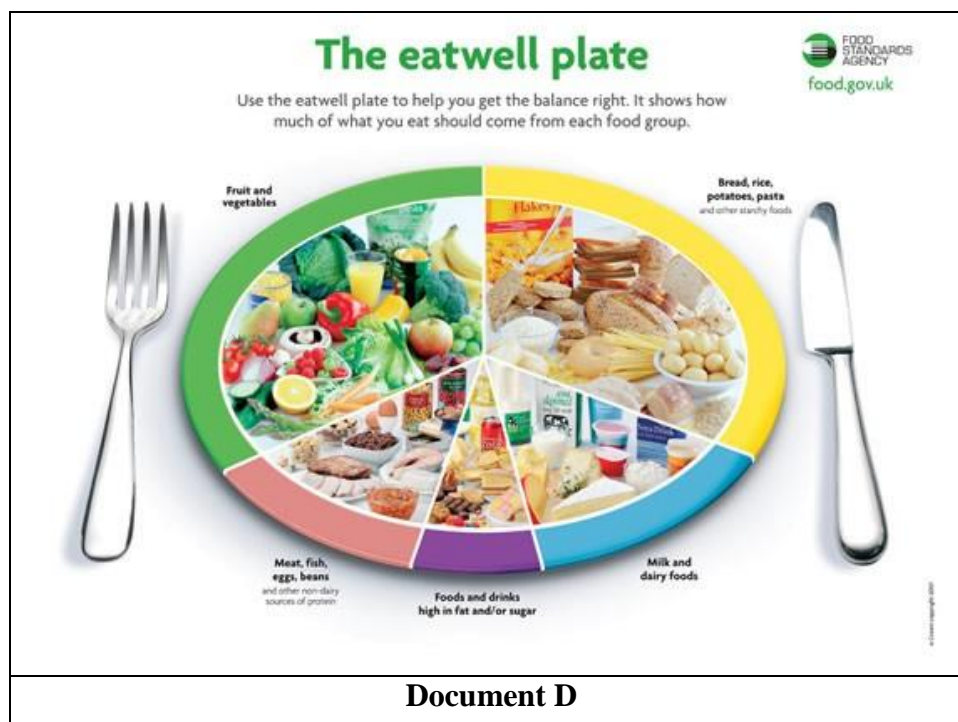

L2b Utiliser le contexte, les illustrations et les connaissances acquises.

L2b Situation 2 : Comprendre des textes documentaires.

Consigne : Observe les documents.

 <p>Egg Adult Monarchs lay one small egg on an individual milkweed plant. The egg is about the size of the period at the end of this sentence.</p> <p>Larva Progressing from egg to adult takes about one month depending on temperature. Larvae consume a lot of milkweed and grow very rapidly. They grow so fast, they need to shed their skin five times before they pupate.</p> <p>Pupa Monarch larvae transform into pupa, also known as a <i>chrysalis</i>. The pupa turns to a jade color with gold markings. The chrysalis becomes clear just prior to emergence.</p> <p>Adult Monarch wings are folded in the chrysalis. The Monarch must pump up its wings using fluid stored in its abdomen. Monarchs live from 2-5 weeks before reproducing and laying eggs of the next generation.</p>	 <p>Day 1</p> <p>Day 2</p> <p>Day 3</p> <p>Day 4</p> <p>Day 5</p> <p>Day 6</p> <p>Day 7</p>
<p>Document A</p>	<p>Document B</p>

Consigne : Relie le document à son contenu.

On t'explique la croissance d'un légume dans	<input type="radio"/>	<input type="radio"/> le document A
On t'explique l'équilibre alimentaire dans	<input type="radio"/>	<input type="radio"/> le document B
On t'explique le cycle de vie d'un papillon dans	<input type="radio"/>	<input type="radio"/> le document C
On t'explique une éruption volcanique dans	<input type="radio"/>	<input type="radio"/> le document D
